Dear Mr Wood,

A friend of mine, Colonel Georg Veith, is a noted specialist on Caesar's strategy. He has, during 30 years, collected Caesar's coins and is now, pressed by very hard circumstances, obliged to sell the collection. I spoke about this to Dr Horatio Storer in Newport, and Miss Storer gave me the inclosed introduction to you.

Colonel Veith's adress is Wien XV Gasgasse 8 III 39.

I inclose his catalogue.

Yours very sincerely

Clemens Pirquet

Dear Sir:

Your favour at hand, and I really do not know who would be interested in these coins of Julius Caesar. There are very few collectors of these over here. The few that might be interested, would only buy those coins which they wanted - and not whole collections. Again, very few people are buying much of anything these days.

I will keep your list, and if I should run across anyone interested, I shall be glad to take the matter up with them.

Very truly yours,

Curator
